RECEIVED
CLERK U.S. DISTRICT COURT

Dear Clerk

AUG 23 2007

DISTRICT OF HAWAII

I am still being billed for the
filing fee \$150.00 in Case 04-00157 when
this fee has already been paid.

I also paid the full filing fee in
Case 03-00455 (in full) when the Honorable
Magistrate Kevin Chang issue a directive
in 2003 ordering payment from my
account at Halawa Correctional Business
office at which time Halawa Correctional
Facility paid this in full. or it
was paid in 2 payments of this I am
unsure but it was paid in full.

my suggestion is that in order to
Verify that I paid this 03-00455 in full
is if You could phone the Business office
at Halawa Correctional facility and
request my account ledgers for the Year
2003 and 2004 or have them check on

these checks that were issued or any other means to ascertain my assertion that all filing fees have been paid years ago.

To begin with the U.S. District Court began collection of fees for 04-00157, when I inquired about this that the payment in that case was paid the Clerks office sent me a record of that payment made in full so it was a mistake on the part of the U.S. District Court in the beginning to collect on a fee that had already been paid.

Then the Clerks office suggest I use money from that payment of which I already paid to pay for the filing fee in 03-00455 when in fact that filing fee was paid in full before 04-00157.

Point on this is that all filing fees are paid up and paid in full. I have tried to obtain the account ledgers to prove to the U.S. District Court that payment in full was paid for 03-00455. However the Business Office at Halawa Facility will not respond to my written request for copies of the account ledgers for 2003-2004.

which if I could show the Honorable Court would prove my assertion that all filing fees have been paid in full.

Now I have written the Court Clerks office asking for the return of payment for 04-00157. Those payments to date and collected within the last 6 months total about \$130.00 I would like this returned as payment in 04-00157 is on record as being paid in full.

again payment in full was paid in case 03-00455 before payment in full for 04-00157.

If You could check this as suggested in this letter through Halawa accounts for inmates you will find the truth of this letter.

Now please return my money that you are still collecting on 04-00157.

Sincerely and Respectfully
Yours
